Raining cum

here is nothing that my boyfriend and I look forward to more than the summer because it means lots of naughty outside sex.

Living near the country means a fantastic open air shag is only minutes away.

Just recently we took advantage of a break in the clouds and grabbed our bag of toys and camera and headed for our nearest outside opportunity.

It was great sneaking to the car, wondering if any of the neighbours had spotted my tarty shoes and the stockings under my coat.

So as we drove off my legs were spread and my feet were on the dashboard.

Judging the bulge in my fella's jeans he was happy to accommodate my saucy needs. I insisted he wait until we'd parked up and gone into the woods.

When we were out in the open he wanted to take some photos of me. I have turned into a proper slut recently as I need to have pictures of my wet juicy pussy before all of our sexual adventures.

The only problem is when he starts snapping I want to start fucking - it turns me

on so much to be showing the world all my glory.

So before long I had to have him. While pressed up against the nearest tree I slipped my hand into his jeans only to find he had come as well prepared as I had with no underwear on.

With such a hard cock I could not help myself but fall to my knees on the muddy ground and hungrily suck on it. With every mouthful my cunt throbbed just a bit more.

The taste of precum was so delicious but I felt more than cum on my lips - it was starting to rain.

With my legs in the air we fucked hard with only the muddy grass beneath us.

It felt really erotic with the rain falling all over my tits, and did not take long for me to cover his huge prick with my juices before he spunked inside me.

The only problem with our outdoor love was getting back into the house covered in mud, grass stains and you know what! Robyn, Kings Lynn.

and the winey droplets. It was a huge turn-on.

Soon Jane was licking me all over. She bent down while getting me to pour the wine over myself.

I could feel it running

I could feel it running through my knickers like a sieve. She was drinking wine through the gusset before tearing them clean off.

When there was just one bottle left it was my turn. She was lapping the wine from the bottom of the pool so I took advantage of her inviting arse.

I poured wine into her arse crack then chased it with my tongue. Jane moaned and pushed her lovely arse back into my face.

With all the bottles empty we got into a 69 position and licked each other senseless.

licked each other senseless.
An hour later and I could still taste the sweet wine on her pussy, although now it was mixed with her own juices.

It was an experience I can recommend – just lying there in the wine, totally satisfied, kissing and sucking each other for what seemed like an eternity!

By the end of the evening we were very intoxicated – and it wasn't just because of the wine!

Thanks to all at Escort! Elenor, Notts.

BEHIND THE SCENISPECIAL!

Ed's assistant Julia Jones has fucked off on a well-earned break. We daren't open all the suspect packages she gets delivered so the Ed chucked us some amusing snaps from this month's postbag. Send Julia stuff for her return to Escort, 2 Archer St, London W1D 7AW.

Letters to Julia

ear Julia, Great to see Katie K again in vol 29 no 2. She is one sexy woman with those nicely rounded tits and well-trimmed pussy. I would gladly lick all that sticky syrup off if you're looking for volunteers. Then again she could always toss me off and I could unload my sticky mess on her tongue for a treat. Any chance of having Katie K in every month? Who said 13 was unlucky? Mark, Dudley.

ulia says: Believe me, if we could get Katie K to appear in every issue, we would. The problem is she loves sex so much she rarely answers her phone these days and when she does she sounds like she's got a mouthful of the white

stuff. And I'm not talking about the pancake batter!

Dear Julia, I've never thought of what it would be like to be an inanimate object before, but ever since I saw the pictures of the beautiful blonde babe Theo dressed up as a French maid in vol 29 no 3 I've dreamt of being a feather duster. I can just imagine it, I would tickle all her naughty parts and then clean up the mess after-

wards. What inanimate object would you be? Craig, London.

Julia says: The Ed reckons I'm already an inanimate object but after working here so bloody long I think I'm entitled to put my feet up every now and then!

Kerry's ount might resemble a pin cushion with all those metal pieroings but she'd much rather have some meaty pricks between her legs. In fact, we're surprised she hasn't had the needle through her nipples — mind you, she probably can't risk bursting those bulging boobies. "I don't think my tits need anything to draw attention to them, do you?" The 26-year-old tart starts. "I find a low-out top usually does the trick of attracting attention. If not I just take it off and then I really start to turn heads and get endices offers of some loing for my boobs!"

certainly knows how to warm me up — with his tongue. After I diddled myself with this carrot my boyfriend dismy ount. It was so cold my juices: nearly froze as they trickled out of my ount and I had my bloke's cum stuck to my facel":

When kinky housewife Cathy slapped a sex ban on her fella they couldn't wait for it to end...

e and my husband Dave have just bought a new house and we've spent the last few weeks doing it up. We both took some time off work to get it done but the problem is we can't go a few hours without shagging each other.

I'll be up a ladder painting the ceiling and he'll come up behind me and start rubbing my legs, I only have one of his old shirts and my knickers on so it's easy for him to get his fingers inside them.

Having such a sensitive pussy I soon have to climb down from the ladder and let him fully satisfy me with his cock,

These impromptu fucks were really slowing us down and, knowing that we both had to go back to work in a few days, I slapped a sex ban on him, demanding that he could only fuck me once we'd finished doing everything in the house.

Being such a randy cow it was difficult for me to abstain but I kept myself going with the occasional sly dildo session when Dave had gone down to the DIY shop.

A few days later and everything was done so while Dave took a final trip to the tip I ran myself a bath – in our spanking new bathroom,

I began to wank bitm off

I stripped off and got into the bath.

After weeks of having to use next door's shower it felt great to be in the privacy of my own bath. As you would expect it wasn't long before my fingers were between my legs.

I rubbed at my pussy lips until they

were nice and loose, then I slid a couple of fingers in to seek out my most sensitive part in no time. After five minutes or so of playing with myself I came, my juices running into the warm bath water.

Continuing to play with myself I was just on my way to my second orgasm when I heard Dave arrive home. He called out to see where I was and I told him I was waiting in the bath.

He was upstairs in no time, standing at the edge of the bath with his tracksuit trousers round his ankles offering me his stiff cock.

"Come on, love, I'm dying for you to suck it!" Dave said.

I reached out of the bath, covered his cock in some foamy water and began to wank him off.

I then got on to my knees in the bath, leaned over the edge and took him in my mouth. I circled his

face in my snatch and I felt his tongue lap about my folds. Pretty soon he was focussing on my clit and flicking it deftly with his tongue. At one point he moved round to my arse hole and gave that a good rimming.

I don't often let Dave fiddle with my burn but it was nice and relaxed following my warm bath. Plus, I was feeling ever so horny so I didn't mind as one of his fingers slipped up there.

As he fingered my bum he still had another couple up my cunt. I fondled my boobs, paying particular attention to my nipples, and it wasn't long before I was cumming again.

My knees turned to jelly so I had to sit back down in the bath, but before I could get comfortable Dave was grabbing my waist and telling me to lean over the edge of the bath. Then I felt his knob being pushed into my twat.

He was back to full hardness and eager to fuck me. I leant over as far forward as I could and took his length. At

eogi bits face to the face of the face of

first he slid in and out of me with very slow strokes but on my request he sped up.

As Dave fucked my twat he resumed fingering my arse, this time managing to slot two fingers up my shitter. I felt well and truly stuffed but begged Dave to do

me harder.

He didn't disappoint and water was slopping over the side of the bath as he rammed me rigid for a good five minutes.

Just as I orgasmed again and my pussy thought it couldn't take anymore Dave let out an almighty yell and with one final shove, he came.

The spunk flew

out of his cock, which he promptly whipped out of my hole so that he could spray my back with all his sticky spunk. We both fell back into the bath and lay there getting ourselves together again.

After a couple of weeks of intensive DIY and some equally intensive sex we were well and truly knackered! ②

Sexy strut

y fella Mike is always up for me doing rude things in public so when I got the chance to suck off a stranger he was more than happy.

We'd been out for the

We'd been out for the evening and since it wasn't raining we decided to walk the few miles home.

I'd taken my high heels off and kept running ahead of Mike to flash my arse at him.

I wasn't wearing any knickers so he had a good view of my bare burn. What neither of us had

What neither of us had noticed was a guy walking on the other side of the road. He'd obviously had a skinful too as he started shouting across the road how sexy my arse looked.

Mike started joking with

Eventually
the guy
crossed
the road
and joined
us. I kept
flashing
my arse at
him and

was a bit surprised when he started groping it. I looked back at Mike

I looked back at Mike and he was encouraging me. I thought what the heck, turned round and dropped to my knees right in front of the guy.

He stopped in his tracks just as I came face to face with the bulge in his trousers. Within seconds I had whipped it out and was moulding it in my hand.

I licked the tip and he groaned with pleasure. Mike had stopped a few metres away and was watching me be a total slut.

The stranger shoved his prick in my mouth and started thrusting. I struggled to hold it at first but then got into a good rhythm.

I noticed Mike was now wanking himself off at the spectacle and so I really put on a show.

I pretended I was one of the filthy porn stars in one of Mike's mucky vids and I was soon begging for a second cock to shove in my mouth.

Mike stepped over to me and wedged his cock in my mouth. I had never put two in at once before – at least not

Trim-endous!

here's nothing I love more than licking pussy and when my wife Rachel shaved her pussy for the first time I was more than made up.

I don't mind licking a hairy pussy but you can't beat a smooth one. Rachel had always been dead against it because she reckoned it made her itch but after a recent row – which was her fault - she decided to make it up to me.

I came home from work to find her fresh out of the bath. She had a towel around her so I didn't really suspect anything.

She told me she was sorry and then said she had a surprise for me. I followed her to the bedroom where she opened up her towel and there it was – her freshly shaven snatch.

My jaw dropped as I

pushed Rachel on to the bed to examine her shaven haven closer. I opened her legs and smiled as I saw how gleaming it was.

Before I could say thanks I was munching on her slick slit. My tongue ran up and down her hairless folds.

Using my fingers I pulled her lips apart to seek out her clit. It was there right in front of me and my tongue went wild against it,

Rachel pushed her bare mound against my face as I ravished it. Her juices tasted sweeter than ever and this only made me work my tongue harder.

After some pretty vigorous tongue work I eventually made Rachel cum. Her whole body shivered as the orgasm swept through her. in my mouth.

It was a bit of a tight squeeze so I had to go back to sucking one at a time until the stranger came down my throat. He put his spent cock back

in his jeans and walked off leaving Mike to follow up in my mouth with all his creamy spunk.

I wonder what we'll get up to next time we walk home! Nancy, Cannock.

She was still panting heavily when she shifted round on the bed and shoved my cock in her mouth. She loves giving me head at the best of times but now she was like a woman possessed.

I let her suck me off for a while, then told her I wanted to fuck her shaven hole.

It felt really strange rubbing my bell-end against her cunt stubble and when I'd

had enough of that novelty I slipped right up her pussy.

Rachel gasped with each of my deep thrusts and I fucked her in three different positions before I couldn't hold on any longer.

The spunk streamed out m cock and flooded her pussy. As I pulled my dripping prick out I admired her shaven pussy once more. Damien, Poole.

Coffee mate

hen my neighbour John said he'd always wanted to fuck me I went wet between

He'd popped round while noone else was in and I ushered him through to the kitchen to offer him a coffee.

As I was standing at the sink he came up behind me and put his hands around my waist. He turned me round and kissed me, holding me tight,

When you're as randy as me you don't turn down attention like this so I let him pull down my dress

Within minutes I was standing there in the kitchen in my bra and knickers with a near-stranger.

I was getting really turned on now. John undressed and when I saw his cock pop out I couldn't believe how big it was

He took my hand and put it on his cock, It was big and hairy with a bulbous helmet ripe for sucking.

I started wanking him off

but he leant back against the kitchen table and asked me to suck it. I knelt in front of him and started a blow-job.

Occasionally I would pull away and lick up and down his lengthy shaft.

John pulled me up and pushed me back against the table. Hay back while John lifted my legs and removed my knickers.

He put my legs onto his

shoulders and entered. It took my breath away and he soon built up a steady rhythm. It wasn't long before I was cumming but John went for another ten minutes.

I asked him to pull out and shoot over my stomach but he wanted to finish over my face.

He moved along beside my head on the table and wanked himself off. I opened my mouth on his command as jet after jet of cum sprayed my face.

When he left I was dripping in his spunk and spent the afternoon savouring it. Helen, Walsall. 🖪
